SIR:

In reply to the Notice of Incomplete Nonprovisional Application dated August 17, 2004, applicants point out that the application as filed March 11, 2004, in the Japanese language presented no less than eleven claims for examination. The certified English translation of the specification and claims that was filed on July 22, 2004, also contains the same eleven claims. Accordingly, there is no need to file at least one claim in this case and there is no need for a new Declaration.
